This set up and service of Breakfast & Dinner works on a rotating roster per bedroom and will be explained by the Lodge Manager on arrival at the lodge.

CHILDREN: children staying at Oldina Ski Club must not be left alone in any section of the Lodge and **must be always supervised by a responsible adult**. Parents should also be considerate that many adult guests prefer quiet relaxation in the lounge after dinner. Please therefore ensure that all children under 5 are in **bed by 8pm**. *Risk that parents must be aware of are: i) Burn risk from wood heater / fire - keep children away from wood heater when it is on; ii) Kitchen – keep children out of the kitchen at all times; iii) Stairs – children must be with a responsible adult when walking up and down stairs and when in the stair well; iv) Door slamming shut – most of the doors will automatically shut so make sure little fingers are out of the way of the self-closing doors; v) Snow falling from roof – large chunks of snow can fall from the roof of ski lodges. Please make sure your children do not play around the eaves of any building in the snow; vi) Fall risk: There is a dangerous drop down to the drain on the Boonoona side of Oldina (North–East side). Again, never leave your child alone / unsupervised outside the lodge.; vii) Slip risk – there is a lot of ice on the ground which is a slip risk to anyone walking outside the lodge. Ensure appropriate foot wear is worn; viii) Tobogganing is fun, but keep your child under control; and ix) Allergies: Please inform the Lodge Manager of any allergies or dietary requirements your child may have. X) Fall risk from Mezzanine floor balustrade (Pool table area) - Ensure there are no chairs or items your child can climb on near the Mezzanine floor balustrade; xi) Disposal of nappies: Please put dirty, disposable nappies directly in the outside rubbish bin.*
